

FURIZON RIOTS” REGULATION

GENERAL TERMS AND CONDITIONS

Furizon is an Association of Social Promotion (APS), established in compliance with the provisions of the law, whose purpose is to give visibility to the Italian furry community, to organise events and themed gatherings, to provide support and to coordinate with other subjects pursuing the same purpose.

Furizon is a non-profit organisation but, as a legal entity, it diligently fulfils its tax obligations. Each participating member, collaborator or administrator is personally liable for his or her civil and criminal liabilities.

The term '**PARTICIPANT** members' identifies those who, through their participation in the event, acquire associate status with the Furizon association.

The term '**COLLABORATOR members**' (or JUNIOR STAFF, or STAFFER) identifies people who make themselves available for collaboration with the managing members, by whom they are coordinated, and whose tasks result in the performance of activities that are fundamental to the realisation of an event organised by Furizon.

The term '**ADMINISTRATOR members**' (or ORGANISERS, or SENIOR STAFF) identifies the members of Furizon's permanent staff, who are solely responsible for the optimal implementation of the event but have no other duties. Their tasks include maintaining contact with the facilities, organising activities and managing logistics, assisting with the needs and requests of other members, and coordinating their own tasks with those of other staff members. The activity of the administrators is not paid for by any remuneration, in fact, it constitutes an investment of time taken away from their respective work activities and free time.

REGISTRATIONS AND PAYMENTS

- 1) Reaching the majority age is a prerequisite for participating in Furizon events.
- 2) The payment of the fee or part of it presupposes the reading and acceptance of the rules.
- 3) Each member, by paying the registration fee, delegates the trustees to dispose of the fee themselves to make the event possible.
- 4) **The fee must be paid in full within days 10 of registration for the event.** After 10 days the booking will be cancelled. Participants who arrive at the event without having paid the full fee (in the absence of prior agreements with the staff) will be charged the unpaid fee, plus a late payment of 20 euros.
- 5) All fees include meals, accommodation and services.
 - a. The standard fee paid includes half-board treatment and water. Sponsor and Supersponsor includes full board treatment. Drinks, alcoholic and non-alcoholic, will be extra charged to the participant. No lucrative or commercial activities will be conducted in this respect.
 - b. Any requests for beverages, alcoholic or not, from participants to the staff must be paid financially. This activity does not constitute trade/distribution/administration of drinks, as it will not be carried out to the public and there will be no profit, but it will be nothing more than a refinancing of expenses already incurred and agreed upon.
- 6) If the event does not reach the critical number of 60 people to stay at the "Park Hotel Sacro Cuore", without exceeding the quota budget, the organisers may decide to change location.
- 7) Cancellation of the event may be decided unanimously by the directors. In the event of early cancellation, 100% of the fee paid by the participants shall be refunded.
- 8) If the event is cancelled due to force majeure (e.g. due to catastrophe, natural disaster, or the occurrence of a bereavement or tragedy), only the costs not yet incurred will be reimbursed.
- 9) The senior staff may decide to exclude certain participants from registration A PRIORI (ban). Payments from these participants will not be accepted and adequate explanations will be given. The judgment of the senior staff will be final, according to the *CODE OF CONDUCT*.
- 10) **Entries are non-refundable**, but transferable.
 - a. For the transfer both parties must inform the staff from the "Contact" section of the website www.furizon.net and express their mutual wish to transfer the membership. The transfer is not valid until it has been approved by our registration staff in writing.

- 4) The data will not be communicated to other parties outside the management of the event, nor will they be disseminated.
